Good morning,

Kathy – would you be able to re-do the OAQPS letterhead on the attached memo? Region 6 is requesting it be fixed for the final copy.

Kelly – Fran is also requesting that the memo be signed. Once the letterhead is corrected I can save as a PDF and send to you for signature?

Thanks!

-Mike

Mike,

Sorry to bother you again. Our web designer has asked that the header be fixed (Office of Air Quality Planning and Standards), and that the memo be signed and dated before posting on the web.

Thank you.

If you are referring to the memo from Kelly, it has an 'internal deliberative – do not cite, quote or distribute' banner on it. Will need to have that removed.

Yes, this was previously sent along with the original memo. Would you like me to rename the document or resend the memo?

Michael, good morning. Thank you for the final report. In this document, you have titled the first page as 'Attachment: Results of the Region 6 Risk Assessment.' To what is this attached?
